DETERMINATION

This document provides a determination from the Floodplain Administrator regarding a request for a Community Letter of Map Revision (CoLOMR) for the area described above. Using information submitted, we have determined that a revision to the Community Encroachment Line is warranted. This document revises the Community Map as indicated in the attached documentation. The Community will use the enclosed annotated map panel for floodplain management purposes.

This determination is based on the flood data presently available. The enclosed documents provide additional information regarding this determination. If you have any questions about this document, please contact the Floodplain Administrator at 704-336-3734 or by letter to Bill Tingle, Mecklenburg County Storm Water Services, 700 North Tryon Street, Charlotte NC 28202. This determination is made pursuant to the provisions of the City of Charlotte Floodplain Regulations.
